As the gospel spread across the Roman world in the first decades after Jesus' earthly ministry, conflict arose. Jews and Gentiles were believing the gospel, and a struggle over what it meant to be a Christian began. What does it mean to live under grace? Do you have to keep the Law to be a Christian? All of it or just part of it? Who is right? How will we know?

God used an apostle to write a letter to some churches that were struggling with this issue, a letter that still speaks today. Its message clearly defines the relationship between Law and grace, and how Christians live under grace, led by the Spirit, free from bondage.
